

Sports Physicals at the Wellness Center

GUIDELINES:

Students must be registered with the Wellness Center. Registration materials are available at Center.

Physicals are done by appointment. Please schedule the sports physical early to allow yourself enough time to meet sports deadlines. Usually, physicals take about 30 minutes.

Please be on time.

If you choose not to keep the appointment, please let us know so that we can give the appointment time to another student athlete.

Parents must *complete and sign* pages 1, 2, and 4.

We *will not be able* to do the physical if these pages are not complete. The NP or Doctor will complete page 3. The *student athlete* must also sign page 2 and page 4.
