## ALFRED G. WATERS MIDDLE SCHOOL GENERAL SUPPLY LIST FOR STUDENTS

The purpose of this list is to provide parents with basic supplies that can be purchased over the summer months that your student will need to start the first few days of middle school. These items will help you get a good start on the new school year. Individual teachers may have special requests for their classes and that information will be given to you at the beginning of the school. Please note: The school provides a student agenda book for every student free of charge at the beginning of the school year.
