

Neighborhood Feeder Patterns

As Delaware's fastest growing school district, feeder patterns are subject to change whenever new schools open. Changes are generally communicated 12 months in advance. If you live in an unincorporated area and/or are considering a neighborhood that has yet to be constructed, please enter your street address in the **SCHOOL LOCATOR** feature on our website, apposchooldistrict.com/transportation/locator.cfm for information specific to your home. If you have questions, feel free to contact the Transportation Department at 376-4132, transportation@appo.k12.de.us.
