

2012-13 Revised Neighborhood Feeder Patterns

Appoquinimink's 2012-13 Feeder Patterns reflect the addition of two new schools: the Spring Meadow Early Childhood Center and Old State Elementary, as well as the temporary (1-year) closure of Townsend Elementary to allow a massive renovation that will include HVAC systems, expanded classroom technology and more. No changes will occur in middle & high school feeder patterns.

As Delaware's fastest growing school district, attendance zones are subject to change whenever new schools open or growth-based change is required. If you live in an unincorporated area and/or are considering a neighborhood that has yet to be constructed, please enter your street address in the **SCHOOL LOCATOR** feature on our website, apposchooldistrict.com/transportation/locator.cfm for information specific to your home. If you have questions, contact the Transportation Dept. at 376-4132, transportation@appo.k12.de.us.
